to the 'Motor Show' this time, I  
am afraid, and in any case it  
is hardly worth the journey. I  
hope Dad can fix something as  
soon as it is over, though even  
then our problem isn't solved.

It's been lovely weather here  
this weekend. I hope it is  
the same at home.

Hope you are all well.

Give my Love to Grandma  
and Dad,

Tenderest love, my dear Mother,

Your  
Carole
