

# Defence and Security Doctoral Symposium

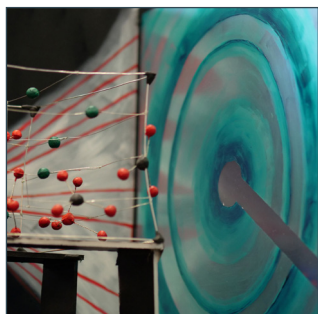

12 - 13 November 2019

In association with

# Defence and Security Doctoral Symposium

"A fantastic setting"  
"If you're doing a PhD in this area,  
you really should be there!"  
"Lessons learned on how to present  
my own work"

Showcase your work - our online open access repository tracks views, citations and downloads. You can view a selection of material from DSDS18 at: <https://doi.org/10.17862/cranfield.rd.c.4177190.v8>

## What is this event about?

- The only event in the UK that gives defence and security research students and Early Career Researchers an opportunity to present their work to a sector-wide audience
- Hosted by Cranfield University and sponsored by Dstl and AWE
- Covering science, technology, engineering and the social sciences
- Held over a day and a half with an exhibition and event dinner - plenty of networking opportunities

## Who should attend?

- Researchers working on defence and security matters
- Early Career Researchers
- Supervisors
- Representatives from industry, government and other defence and security-relevant NGOs

## Why should you attend?

- Learn about cutting-edge research in defence and security
- Hear about key issues being investigated across science, technology, engineering and social science research
- Network with fellow students, representatives from the sponsoring organisations and others
- Listen to keynote speakers covering key policy-drivers in defence and security
- Engage with defence and security employers

## What to expect?

- Keynote Speakers
- Technical Papers
- 3D Installations
- 3MT (3 Minute Thesis)
- Poster Competition
- Digital Image Competition
- Event Dinner

## Date

12 – 13 November 2019

## Call For Contributions

To contribute a technical paper, 3D installation or 3MT, you need to be in your second year and onwards if a full time student or fourth year and onwards if a part time student, or an Early Career Researcher. The poster and digital image competitions are open to all research students and Early Career Researchers. For details of how to submit, go to:

[www.symposiaatshrivenham.com/doc](http://www.symposiaatshrivenham.com/doc)

## Registration fees

**Contributors** – Free of charge

**Students and Supervisors**

– Free of charge

**Attendance at the Event Dinner** – £10

**Other Delegates** – £250 (inclusive of attendance at the Event Dinner)
